# My Back Story... 　Nicholas Hobar, President 　In the Moment...

*"Advancing the Frontier of Learning"*

## My Back Story...

Awarded a Doctor of Education Degree by The Pennsylvania State University.

Performed as a classroom teacher, college associate professor, WV state director of professional development, and MD assistant state superintendent of instruction.

Helped to create the first statewide microcomputer network in the USA for general and technical education in WV.

Recognized by the Governor of MD for leadership and service for instruction, technology, and early childhood programs.

Helped urban schools to increase student achievement to meet accountability standards.

Played minor league baseball for LA Dodgers with a higher lifetime batting average than Michael Jordan.

## In the Moment...

Leading the LearningFRONT Dynamic Learning Community.

Developing integrated social and professional learning digital tools.

Offering the LearningFRONT professional learning program suite.

Blending human and AI coaching strategies to support dynamic professional learning.

Providing consulting services to support government-funded professional learning contracts.

Collaborating with colleagues in the education, business, and government sectors.
