

# The Adventures of LearningFRONT™

*Faster than a presentation. More powerful than trainers and slide decks. Able to learn at the speed of light.*

**Look! Online!**

It's an LMS?

It's an LXP?

**It's LearningFRONT!**

**Yes, it's LearningFRONT**, a dynamic learning community from another way of thinking about learning that came to the Internet with powers and abilities far beyond the conventional classroom and virtual platforms.

**LearningFRONT**, converting information dumps to dynamic professional learning. Where people, learning, and technology connect, fighting a never ending battle for innovation, change, and the professional way.
